

Core subject** (4 HSW* required min.)	Extended core subject** (6 HSW* required min.)	Specialization course** (7HSW* required min.)	Elective courses (3 HSW* required min.)	Supplementary Courses (3 HSW* required min.)
Bioinformatics I (Biological databases and retrieval) WS	Bioprocess-Engineering SS	Bioprocess -Engineering II WS	Bioseparations WS	Environmental Engineering SS
Industrial Microbiology SS	Chemical and technical Analysis I WS	Chemical and Technical Analysis II SS	Molecular Genetics SS	Biophysics WS
	Classical genetics WS	Bioinformatics II (Programming for Biology) SS	Biochemistry SS
